2010 Gregorian Calendar Year/ Hebrew Calendar 5770

In Hebrew, what we would call the alphabet, starts with:

Aleph, beth, gimel, daleth, he, waw, zayin, cheth, teth, yodh.

We just counted to ten!

Aleph, one

Beth, two

Gimel, three

Daleth, four

He, five

Waw, six

Zayin, seven

Cheth, eight

Teth, nine

Yodh, ten!

Now you can count in Hebrew!

Each letter is a number, has a sound, and a meaning that is defined with a word or a phrase.

'Aleph' literally means 'ox,' (translated 'strong, strength')

'Beth' means 'house'

'Gimel' means 'camel'

'Daleth' means 'door'

'He' means 'window'

'Waw' means 'hook'

'Zayin' means 'weapon'

'Cheth' means 'fence'

'Teth' means 'snake'

And 'Yodh' means 'hand.'

The next letter in the Hebrew alphabet is the 'Kaph' which means 'the bent hand,' and it actually coordinates with the number 20!

So with those little tidbits of information we can quickly surmise that this year of **'2010'** means **'the bent hand of the hand.'** The number 20 has many meanings, the most significant to me means 'redemption' which coincides with 'the bent hand.'

'Ten' means 'hand'... the key is whether the hand is open or closed. Because of redemption paid for by Jesus Christ, that choice continues to be ours. Whether the Lord's hand is open or closed

depends upon our choice as to whom we choose to serve and make the lord of our lives.

We choose as a family to make Jesus Christ our Lord and Savior which in return puts us in one of the greatest potential years in the history of our lives. This is the year of 'the open hand of redemption' for us and for you too.

Now let's specifically talk about the actual year 10. God's hand extended toward us is huge, encouraging, a faith-building mental image to start this New Year. Now let's add to that with the specific number ten and its definition. The number ten has multiple definitions and meanings but let's focus on the most pinpoint today. It means 'law, testimony, and responsibility.' So couple that definition with the open hand of the Father God and away we go on a most wonderful year to come!

This is our year to give our testimony, to step up to the plate and finish many things in warfare in the spirit realm. This is the year to overcome all fear and be bold with our faith; it is the year to find our voice of victory and begin to speak for righteousness, honor, accountability, and responsibility. We must find our strength and our faith to stand up and make our lives worth counting! This is our year! Testify of the goodness of God in your life!

For too long we have talked about the bad economy, the bad this and the bad that. We have talked about why we cannot, instead of focusing on the only reason why we can! Jesus Christ... the "I can do all things through Jesus Christ" philosophy of real and true daily faith! I don't know about you, but I have lived through times equally as tough as this past year, and personally have had much harder things to battle in years past than in 2009. It's all about what we focus on. What we focus on is what we talk about and what we talk about is what we think and what we think is WHO WE ARE! So the first thing we must get straight is WHO are we focusing on? If our focus is on ourselves we are already defeated! We must focus on the only ONE who deserves our worship. This is the year of worship, worship, worship. This is the year of going to, being at, and staying at His Feet until ... until when? Until we have our answers, our breakthrough, our victory, our testimony!!!! Then we go out and tell it! 2010 the year of our testimony! To have a testimony means you have to have a victory. To have a victory means you have had to have a war, a test, a battle! So if this last year was any or all of those things, war, testing or a battle, you have been set up for a victorious year! Your next option? Get on your face and stay on your face at His feet and learn to trust Him at a higher level than you have ever experienced. And this experience is not just for the experience... it is the way you are to learn to live... actually *live* each and every day!

For too long we have had too much effort with too little victory... too many words with too little power! This is the year for victory with less flesh effort... notice I said, 'flesh' effort. We can waste much energy trying to do so many things for God's Kingdom when it is impossible to actually 'do it in the flesh.' (If you have not read the [Obtaining Peace](#) and the [Entering Rest](#) books, you need to do that immediately!)

Staying at His feet and learning to live and be victorious is the key to finding your voice of victory and your year of testimony!

Let me challenge you today to give your testimony to somebody you come in contact with... not long, don't talk their ears off! Remember, less words and more power! See if it is possible for you to give God the glory with your words and your life and your actions in less than five minutes. I know you can do it! Go for it! He is with you. This is how you overcome... by the Blood of the Lamb and the Word of YOUR TESTIMONY! This is the year of your overcoming!
