"Safety in the Shadow of the Almighty"

Dear Friends,

The Lord has been so good to us as we are beginning to feel His release to go more and preach the Good News. We have remained steadfast to obey His voice concerning rest and to be still. This is still the main command we hear but as we are learning how to hold our peace and not leave *rest* no matter the amount around us, He is allowing us to go out more. We are careful to 'run back to His Presence' as quickly as possible so as not to forget the rest He has promised. (Hebrews 4). We work and labor to enter the promise of rest from the Lord. It is sustaining us, and healing us, refreshing us and restoring us. This morning we have been writing on a new book, *Entering Rest, Be Still*. It is formatted as a forty day prayer journal like the *Obtaining Peace*, and the *Overcoming Fear* books. We believe this is God's way of causing each one of us to slow down, be still, listen and that is vital for our last days Bride preparation and purification. Jesus is coming and we must be ready!

If you are one of our intercessors, thank you. Your prayers and time spent at His Feet for our ministry is certainly being rewarded with salvations, lives changed, restored, refreshed and renewed. We are also being covered by your prayers as we step out on the front lines of spiritual warfare each week. There are not words enough to express our hearts toward you and what you do to help us. We simply say thank you, but we ask that all of Heaven rejoices over you as we stand for souls!

If you are a monthly partner with us, thank you. Your continued support helps keep us going, and lets us know that we are not alone in this war for souls. God's heart beats in the rhythm of 'souls . . . souls . . . souls . . . ' and we want to stay right in rhythm with His heart. A couple weekends ago we were preaching in the southern CA area, and early on Sunday morning we were driving down the freeway. As the sun rose and shone on the cars in front of us, driving at 70 miles per hour, I noticed that each car was casting its own shadow alongside itself and the shadow was moving at the exact same speed as the car. I was reminded by the Holy Spirit of the scripture in Psalm 91, "*He who dwells in the secret place of Most High, shall abide under the shadow of the Almighty.*"

I was watching the 'shadow' move down the highway, and I heard the Lord say, "When I move you must move. When I stop you must stop. When I slow down, you must slow down, and when I speed up you must speed up." If we do not know how to hear the voice of the Lord then how will we know what speed to be

could just see myself, going down the highway of life, in the shadow of the Almighty, when all of a sudden, He stops! What did I see of myself? I was still going full speed ahead and I went right out of the shadow! Unprotected on the highway of life . . . there I was! No covering, no shadow to protect me!

What a visual the Lord showed me! When He stops we must stop. When He moves we must go. Some of you may not be like me, always running at full speed; it may be that you lag behind the Lord. When He rises and begins to move to the next phase, or level, or season, do you dilly-dally behind, trying to motivate yourself to get moving? If so, then you are as much out of the Shadow of the Almighty as I when running ahead! Either way, whether lagging behind, or running ahead, when we are out of rhythm with the Lord, we are out of His Shadow of protection. We must listen, learn, and obey. When He says let us go up and pray, we need to learn to obey. When He says be still and know that I am God, we need to learn to drop everything, including to our knees, and be still.

I love you. We love you. We need you in our lives and our ministry. Thank you for standing with us. If you have not ordered your copy of *Obtaining Peace* or the Isaiah 26:3 "Perfect Peace" bracelet, please do so as quickly as possible. This is season of the impartation of God's Peace in our lives. We must have it to go to the next phase of glory with Him. We must learn to walk in Peace, live in Peace, be in Peace at all times. We must obtain it permanently.

We will talk soon. If we are in your area ministering we would love to see you in person. Please make sure you come up after service and let us know you receive letters and please give me your input whether in person or in a return email to let us know of what you would like to see, hear, etc. We are serving the Lord together. We value your opinions and your input.

Please continue to pray for us as we go out.

The Lord is good and His mercy endures forever.
