## HAPPY VALENTINES DAY

My Lover is mine, and I am his.  
-Song of Solomon 2:16

Have A Happy Valentines Day This February!

*A Special Invite!*

*This is the beginning of the most wonderful year for God's people! We have seen hundreds of lives changed in only a few weeks! Jesus is returning soon and the Bride of Christ is being*

*made ready! If you are a covenant friend of this ministry thank you for sending us out each week to minister salvation, rededication, and the preparation of the Bride for His return. If you are not a covenant friend of this ministry we ask you to pray and seek the Lord for His will concerning standing with us.*

*Many think that what they have to give is not significant and does not make a difference, but nothing could be further from the truth. Whatever the Lord leads you to give is what is necessary both to the giver and the receiver. God is our source, there is no doubt. Our desire is that you obey God with what He gives you to give and that you covenant with those you believe God has put in your life for His purpose and His glory.*

*Some can give more and others can give less, but in the Kingdom of God we are all in covenant together for souls! We are so thankful for each and every person who stands with us. Your gift can make a difference. All we ask is that you seek the Lord and obey His voice. Little is much when God is in it; we believe our ministry proves that each and every week with the fruit of the Spirit manifested in every service!*

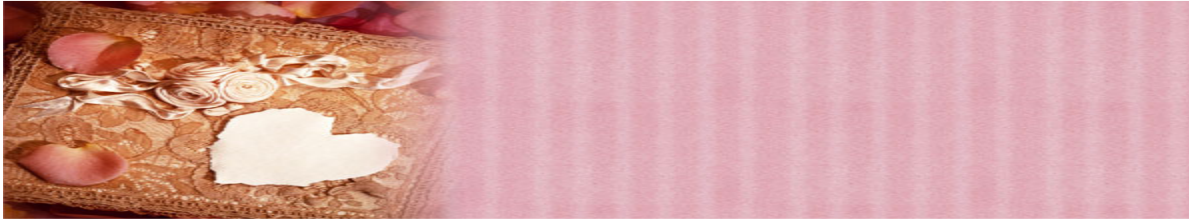

*We also ask you to seek the Lord on becoming a weekly intercessor with us. Since the Lord has raised up intercessors who pray specifically for the services, we have seen thousands come to Christ, and even more come home to His feet for restoration, and rededication. Please pray about becoming an intercessor! This takes a commitment of your time, but the rewards are priceless!*

*We pray God's richest blessings over you as you stand with us for souls. We ask the Lord to touch you, your family, and home with His goodness. God longs to meet you Face to face. He longs to be with you! He longs to be the Lover of your soul!*

*We love you and thank God for you in our lives and ministry.*
