[More About Us](#)

Dear Friends,

February has been a wonderful and timely month for us personally and in ministry. We saw between and 400 salvations, lives coming back home to the arms of Christ, and even miracles in many forms, physically, emotionally and mentally, and spiritually! The Lord is good and His mercy forever!

We were traveling and preaching for eleven days straight; we were in four different locations, and states. We reconnected with many in the Body of Christ, and made new relationships also. The of the church of Jesus Christ is solid in many places. The purification and the fire of God is upon people, and lives are being changed. We thank those of you who came to the services and entered purification through worship in the various churches and events over the past few weeks. Thank you all you do, and have done, to allow us to continue in this ministry for HIS GLORY!

There is a depth of His presence that cannot be explained in words - it is upon us, in the services, bringing about change, readiness, for His coming. This month we have been able to complete the planning and preparation stages for our first "We Who Worship" conference. You should have with this letter the brochure for the "We Who Worship" conference coming up July 17-18, 2009. If are near southern California, we invite you to join us at His feet. The Lord has led us to do this at a in the Palm Springs area and the seating is limited. But we heard the Lord say to 'stay intimate' so not concerned. We know those who are to be with us during this time will be, and others of you will us as the Lord allows us to take this "We Who Worship" conference to other areas of America the coming months.

We are also in our final edit of a new book entitled *Entering Rest . . . Be Still*. For those of you who letters regularly, you will have a greater understanding of this message as the Lord has been us over the past two years in deep times of revelation and understanding. Your prayers and support us to do many things, travel, preach and teach, and write God's revelations for His people. If you already read our latest book released six months ago, *Obtaining Peace*, I encourage you to get it, it in preparation for this next level of purification and commitment. We are being prepared, and we bringing this preparation to you through our letters, our books, and our services for those of you have been able to be with us in person.

I ask you to pray for us. If you are not able to join "We Who Worship" in July in the Palm Springs then I ask you to print out the brochure and hold it in your hands daily and ask the Lord for His outpouring of power and His presence to be manifested. This is what we are believing for . . . His presence and power! This is not to be 'just another conference, or more services with teaching and preaching.' There is nothing wrong with those types of meetings, but the Lord has specifically us to enter His presence expecting the flood of His presence to fill the place, and we who will be in attendance, to bring about change.

So now you know the latest on Salem Family Ministries. We continue 'at His feet' until He comes. continue to travel and preach as He leads; we continue to write books, and write and record worship music as He leads; we step out and make plans for a gathering of "We Who Worship" to usher in the of His presence, the beginning of many of these types of gatherings, we believe.

We love you and thank God for your support, love, and faithfulness to Him. We ask you to pray for

especially that we not get ahead of His presence nor do we lag behind as He moves. When He runs, run. When He stops, let us stop. Where He goes, we go; where He rests, we rest.

We love you,

Cheryl & Harry
